

# Camp Hometown Heroes

<http://www.hometownheroes.org/>

Maryland Chapter of AAHAM May Charity

---

Camp Hometown Heroes was created to provide children of fallen U.S. Military Heroes the chance to experience friendship, healing and growth...bringing together children who can understand and support each other. It's a week where kids can just be kids.

We offer traditional summer camp activities like canoeing, swimming, sports and archery. More importantly, trained grief specialists from Kyle's Korner will also provide possibilities for children to heal through art therapy, discussion groups, and more.

# Helping Kids Heal

---

  - Grief Counseling .....\$200
  - Program Supplies .....\$100
  - Art & Music Therapy Supplies.....\$50

"This is the 1st time we have had any kind of breakthrough at all...He believes that now he will be able to move forward as God intended! OMG, I cannot believe this is happening. What a miracle this camp has been. Thank you and those wonderful camp counselors for opening my baby's eyes to a much better world."

"I am sure I speak for every child, parent and grandparent who trusted you for an entire week with our children. You promised them one of the best weeks of their entire life and you surely delivered. The memories made will never be forgotten. The friendships formed will be carried into the future. And knowing that they are not alone in this journey surely makes them feel more comfortable about talking to others about their future."

"Thank you for this precious gift that you have provided for them. My once quiet and reserved teenager is beaming with this happiness I have not seen in years. You have restored her beautiful spirit and she says she will never forget this and the true friends she's made."
